The Cory Charitable Foundation announce the recipient of five million dollar grant

The Trustees thank you for your expression of interest in The Cory Charitable Foundation one-off grant of five million dollars to mark the Foundation's 25th Anniversary.

We were overwhelmed by the response of more than 100 worthy charities.

After careful consideration the Trustees have chosen to partner with The Salvation Army to build a new affordable and social housing complex. The project is to be located in Brisbane and will feature approximately 30 residential apartments.

Further information will be announced shortly. Please check www.corycharitable.org.au for updates.

We wish you success with your ongoing fundraising endeavours and thank you for your participation.

Yours sincerely,

DOUG CORY

Founding Director
